

4D Consciousness Activation

Sound Phrase Guide for Awakening

Introduction

This guide contains sacred sound phrases designed to align your vibrational body with 4D awareness. Use these phrases during meditation, sound baths, or focused breathwork.

For best results, listen to the provided 936 Hz tone while repeating these phrases, either aloud or internally. Use your Sony WH-1000XM4 headphones for optimized resonance.

Repeat the phrases slowly, with intention and presence. Let each syllable guide your awareness beyond the physical plane.
